

# N.N. NAGI SCHOOL

*Footprints of Tomorrow*

Founded in 2015, The N.N. Nagi school is privileged to have a state-of-the-art facility to impart quality education to our students. The school provides an environment where each student is equally valued, nurtured, cultured and taught to uphold the values of respect and responsibility. The school balances a wealth of co-curricular opportunity with academic excellence to help our students aspire to be achievers in life as well as contributors to the society. We at N.N. Nagi strive to provide the best education to our students, and this is reflected through our well educated and highly trained teachers.

# Message

## from the Headmistress

Warm greetings from N.N. Nagi School!

The year 2015 saw the establishment of N.N. Nagi School. In this ever changing world the need to provide quality holistic education which encompasses psychological, social and emotional growth has substantially increased. Here at N.N. Nagi we endeavour to provide a balanced education combining academics with hands-on activities. At N.N. Nagi, students are taught values which help in their character building, the values learned are lifelong; it motivates and empowers our students to be lifelong learners, critical thinkers, and productive members of a progressive global society.

Our main concern is to impart quality education in the fear of the Lord. We have well trained and highly qualified teachers who maintain a standard of behaviour in the school through kindness, love and genuine concern for each child. Thus this strong team of teachers ensures continuous learning by way of encouragement and motivation.

We do not believe in confining school children within the four walls of a classroom. Therefore, we provide a lot of space where they can move, play and express themselves and incorporate a learning system which is independent and encourages individualised learning. We believe that education should continue beyond the confines of a classroom; to encourage our students to engage in learning, the school provides an amalgam of scholastic and co-scholastic activities, converting every individual into a self-reliant and independent citizen.

The School upholds high moral values so that the children of today may one day grow up to be responsible adults of tomorrow. The school's goal is not to REFORM wayward children but to instil in them the highest principles of leadership, integrity, self-discipline along with intellectual excellence. Thereby, equipping them to face the challenges of today's rapidly changing world.

## Vision and Mission

- Respect** - treat everyone equally
- Responsibility** - be accountable for your actions
- Excellence** - none but the best
- Empathy** - be understanding and compassionate

The school's pivotal vision is to foresee the holistic development of an individual student. The School endeavours at meeting the educational needs of today with the traditional values of yesterday and the technology of tomorrow to produce '*Footprints of Tomorrow*'.

Besides the academics, N.N. Nagi advocates the principles of compassion, humility, honesty and integrity to the students. The school's curriculum enables the students to play to their strength through guided choices and individualised programmes of study alluring creative and personalised combination of subjects.

## School's Strengths

**Character  
Building**

**Individualised  
Learning**

**Mastery Based  
Learning**

**Developed  
Online Learning  
Management  
System With  
Dedicated Server For  
Conducting Smooth  
Online Classes**

**Student-  
Teacher Ratio  
15:1**

**Highly  
Qualified,  
Trained And  
Experienced  
Teaching  
Faculty**

## Curriculum

The school has opted for CISCE curriculum from class 6 onwards and ACE curriculum from pre-school to class 5.

### CISCE

The Council for Indian School Certificate Examinations (CISCE) has been established as an apex organization to control the system of ISC/ ICSE education in India. The key objectives of the Council is to promote education which includes the promotion of science, literature, the fine arts and the diffusion of useful knowledge by conducting school examination through the medium of English.

### ACE

Accelerated Christian Education (ACE) was formed in 1970 to give your children an education that provides Biblical principles with Scripture, academic excellence, character training, and spiritual growth. ACE curriculum reflects high standards and is built on a Biblical foundation that will prepare your child for the world today and give him the tools necessary to succeed in the future. The child's learning is evaluated through quarterly test.

## Beyond Academics

- **Field Trips:** For hands-on educational experience beyond classroom.
- **Gardening:** Learning to grow and eat organic food products.
- **Sports:** Emphasis on physical fitness and stimulate their interest for outdoor activities.
- **Music:** Music plays an important role in a child's holistic development. Bringing beauty in life with musical instruments and vocals.

- **Cultural importance:** Promotes the vibrant culture and cultural attributes – beliefs, values, norms, traditions and heritage.
- **Arts and crafts:** Enhances the skills of a child, which will help them in their creative thinking, risk-taking, problem-solving, teamwork and communication, which are precisely the tools and the qualities that the workforce of tomorrow will demand.

## Facilities and Future Prospect

### Existing facilities:

- Bus service
- Modern infrastructure
- Landscaped garden
- Reading rooms
- Lunch provision
- Children's recreational lawn
- Music and art room
- Laboratories
- Tennis court
- Activity room

### Future plan:

The N.N. Nagi School is currently developing its second phase which will cater to the High School and Secondary Level. The second phase of our Project spreads over 28 acres of prime land which is situated adjacent to the present school campus. It will include a Multipurpose indoor hall (which will facilitate various indoor games), a 2000-seating capacity Auditorium, an Amphitheatre, a FIFA standard sized Football ground, Basketball courts, Lawn Tennis Courts, Swimming Pool, Volleyball Courts, ICC standard size Cricket field and many more in the pipeline.
